Please find below and/or attached an Office communication concerning this application or proceeding.

The time period for reply, if any, is set in the attached communication.

This letter is to advise Applicant that there are minor formal matters that need to be attended to before this application can be patented. Several attempts have been made by both the Examiner and Examiner's supervisor to contact Applicant's representative but no response or return call has been received. If these issues are not attended to within **ONE MONTH** of the mailing of this letter, the application will be withdrawn from issue. The issue outstanding involves the need for a properly executed Declaration by the inventors. The current Declaration on file is missing an Inventor's signature. Applicant is asked to please contact the Examiner as soon as possible to resolve this outstanding issue.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Brian J. Broadhead whose telephone number is (571)272-6957. The examiner can normally be reached on Monday through Thursday or Tuesday through Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Khoi Tran can be reached on 571-272-6919. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.

/Brian J. Broadhead/
Examiner, Art Unit 3664
